# Grant Connect

## Getting Started

### What is Grant Connect?

Grant Connect is an online database with detailed, searchable information about thousands of funders. Available **within the library only**, Grant Connect makes it easy for nonprofit organizations to find funding opportunities.

### Funder Information

Click on the name of a funder to learn more about them such as links to their website, funding interests and restrictions, application procedures and deadlines, and more.
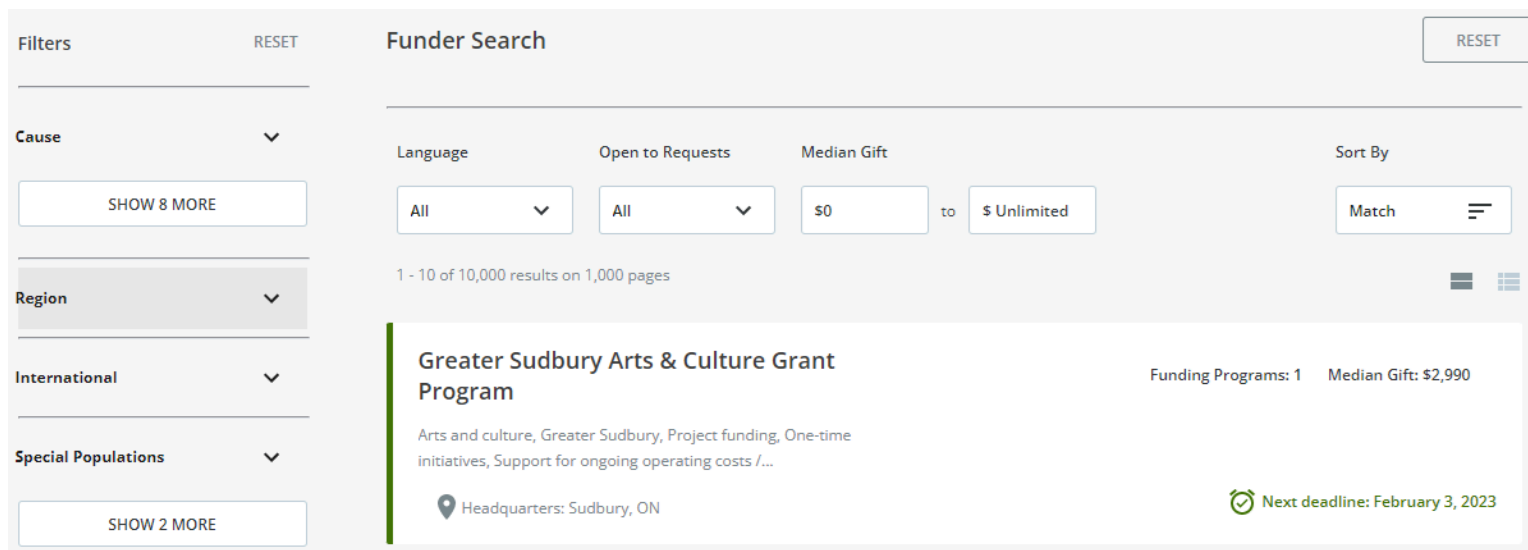

## Accessing & Searching

### Logging On

1. Visit the library website and select **eResources**.
2. Select **Grant Connect**.

### Searching & Navigation

Start your search by using the search bar at the top of the page to search for a foundation, cause, or a geographic area.
Narrow down your search by using the filters on the left hand side and top of the screen.
